**REPORT SUMMARY:**

At the meeting of May 22, 2018, City Council authorized Public Works, Engineering staff to publicly advertise for this project with a due date of July, 10, 2018. Staff received three bids, each accompanied by bid bonds. After thorough review of the proposals, reference checks, and verification of contractor's licenses, staff determined ELECNOR BELCO Inc., of Chino, CA to be the lowest responsive and responsible bidder.

This project will improve Prairie Ave between Imperial Hwy and Marine Ave., at intersections of: 118th St., Broadway, El Segundo Blvd., 132nd St., 135th St., 137th St., 139th St., Rosecrans, 147th St., and Marine Ave.

This first phase of the project consists of complete traffic signal rewiring and replacement and upgrades to detection sensors, installation of L.E.D safety lights, replacement of controllers and cabinets at 11 intersections, and upgrades

to disabled access ramps. It will also include an upgrade of traffic signal poles, traffic signal heads, and pedestrian signals.
