Alan Leung

SUBJECT:

Resolution No. 8281 - A Resolution of the City Council of the City of Hawthorne, California Confirming Assessments for Fiscal Year 2021-22 Weed and Waste Abatement and Authorizing the Collection Thereof.

RECOMMENDED MOTION:

Staff recommends that the City Council open and close public hearing and approve Resolution 8281.

DISCUSSION:

This is the second step in the annual Weed Abatement Assessment process. In this program, the City hires a contractor to do weed and rubbish abatement work on private property. The work is performed following a five (5) day notification period during which the property owner has the option to clean the property. Following the end of the five day period, a work order is issued and the property is cleaned. Charges for the cleaning are then placed on the County Assessment Rolls. Notice of Public Hearing was posted around City Hall and at the Hawthorne Library. Following the public hearing, it is recommended that the City Council authorize the collection of the assessment.

In the event that the Hawthorne City Hall remains closed to the public and City Council meetings are held virtually through June 8, 2021, interested parties should review the meeting agenda when published to confirm the public participation process that will be used. Therefore, interested parties are encouraged to provide their comments by phone (310) 349-2915 or by email (pjimenez@cityofhawthorne.org) or by leaving their return phone number. Any communication must be received no later than June 8, 2021 at 4:00 p.m.

FISCAL IMPACT:

The Weed Abatement Assessment is estimated to generate \$43,000 for the General Fund necessary to offset weed abatement costs.

NOTICING PROCEDURES:

Notice of Public hearing and Resolution 8281 were mailed to affected property owners and posted in three locations.
